Bangalore Dt

In the list of 1886, Bangalore is not mentioned as a place containing a Camping ground. The Residency now mentions this name but it is not known in what locality this is situated

2 The D.C. says that in Hardhalli (which is included in the list of 1886 and the present Residency list) there is no recognised Camping ground but where the same has been included as the Military had encamped there some years back.

3 In the list of 1886 forwarded to the Residency the names of Kestur and Jogipally do not appear nor do they appear in the present Residency list But the Dy Comr inserts them now for the first time. The reason for this variation is not mentioned by him During the Survey Settlement a remark will generally be made in the Typal Pathrike of the village in which the Camping grounds exist to the effect that the ground is set-apart for that purpose.

A portion of the ground at Benkipur has been taken up for the Railway station and line. (2) The ground at Millaghatta near Shemoga has been taken up for the new extension of the town. (3) The reason for the omission of Holalur in the list no:3 is that it was not mentioned in the list which accompanied Secretary's letter no: G 3337-43 Gen 282-07-14 dated 30. 11. 1908 - Enquiry is being made as to the existence of a camping ground at Islapur and Urgadu. X The reason why no mention was made in list no: 2 of Kunsi and Ayanur camping grounds cannot now be made out. They were not mentioned in the list which formed an enclosure to secretary's no: G.3337-43 G.m 282-07-14 dated 30. 11. 1908. There are camping grounds at both these places.
Kunsi	1 Kunsi X 2 Ayanur	—	—

Shikarpur	1 Siralkoppa	1 Siralkoppa 2 Shekarpur	1 Siralkoppa	Grounds are available for camping purposes both at Shikarpur and Siralkoppa as mentioned in list no: 2. It is not known why Shekarpur was omitted in lists no: 1 and 3.
Sorab	Sorab	Heresakuna (Sorab)	Sorab.	The camping ground is reported to be actually within the village limits of Heresakuna.

Sagar	1 Sagar 2 Talgupba 3 Anantapur 4 Gerusoppa Falls (His Majesty's territory)	1 Mangalabion (Sagar) 2 Talagupba	1 Sagar 2 Talgupba 3 Ananthapur	1 The Camping ground at Sagar is situated within the limits of the Village of Mangalabion mentioned in list no: 2. 2 There is no Camping ground at Anantapur set apart for the purpose but a big maidan near the Travellers Bungalow is available whenever required. Lists 1 and 3 contain a remark to the effect that the Camping ground at Anantapur is "not recognized" 3 The Camping ground near the Gerusoppa Falls on the Bangalore Honnavar road is situated in British Territory.
Nagar	1 Hulikal Choultry 2 Nagar 3 Kallurkatte 4 Kodur 5 Benavalli	1 Nidagodu (Hulikal) 2 Basavanbyana (Nagar) 3. Hallurkatte 4 Kodur 5 Benavalli	—	1 The Camping ground near Hulikal and Nagar are situated within the limits of Nidagodu and Basavanbyana. Hence the difference in names appearing in statements 1 and 2. 2 It is not understood why all these places have been omitted from the list which accompanied Secretary's letter no: G.3337-43 G.M. 282-07-14 dated 30.11.1908.

I inspected the land it is situated at an inconvenient distance from wells and is not being used as a camping ground. This land with S. no $\frac{5}{2}$ does not form a complete block.
				$\frac{5}{2}$	19.31	16—4 — a		To the north of this no is situated S no 3 measuring 2.8/7. This is a Karab and is being used as Sanke Mala. This land along with S no $\frac{5}{2}$ will form a complete block and may be used as a camping ground. Supply of water is from a tank at about distance of about a furlong, supplemented from wells in the vicinity of the Camping ground
				20	2-15			Survey no 20 does not bear any assessment and contains a Tope or grove and belongs to Kalingiah. But there is no objection for its use as a Camping ground. Usual supply of water is from a large tank about 3/4 of a mile from the Camping ground. In ordinary season the water supply is from wells and from a small tank in the vicinity of the ground.
				7	3.39			These numbers do not bear any assessment but Contain a good Tope, water supply from a stream running in the middle of the Camping ground.
								There is no recognized Camping ground in Mysore. From enquiries made it is ascertained that the Army once or twice had encamped at the Parade ground of the Local Service Regt

Gundulpett formerly Called as Vijayapura			165	165	187	
Bandipur		〃	220	132	9	

The information furnished in 1895 about this is correct. In 1900 it was stated that the extent of the Camping ground was 14 acres but the portion set apart for Camping ground measures only 2.27 & 2.8 This together with S.No 94 close by measuring 6.26 and the vacant land surrounding this survey No measures 14 acres. Water supply from wells. The pond mentioned in the Statement of 1900 will not retain much water during Summer and the little water left will be very dirty. Vijayapura is the name by which the present Gundulpett was called. Water supply in rainy season from a pond and well near the Camping ground. during Summer water has to be fetched from the Gundlu river a mile off from the Camping ground. The particulars furnished in 1895 & 1900 are correct. But the pond at a distance of 1½ furlongs from the ground mentioned in 1900 to supply water will dry up during Summer & Water has to be fetched from a temporary well sunk in the bed of the tank.

			48	4.26	3	4	0			as there is no convenience for water. There is a well about 2 furlongs from the ground but it dries up during summer and even in the rainy weather, the supply will not be sufficient for a large number. The ground belong to Chamalapura village but forms part and parcel of Nanjangud town. In the list of 1895 Chamalapura is mentioned but in 1900 Nanjangud is mentioned perhaps Chamalapura was practically part of Nanjangud. This ground has every convenience as Kapila river which contains water all the year round runs only within a furlong from the reholest part of the ground.

Further that S no 2 of Honakere Kaval mentioned in the above Statement as part of the Amrut mehal Kaval was found on looking into the village accounts to measure A 7.7 and that it is a Kharab land. This may be used as Camping ground. No Camping grounds seem to exist in these two places in the Statement furnished from this office in 1895 & 1900.

Sir,

With reference to your letter No. R 9710-16/

L. R. 394-08-10 dated the 21st May 1909, re the discrepancies observed in the verification of the camping grounds made in this office letter No. 250 dated the 18th January 1909, I have the honor to submit herewith a statement explaining the discrepancies between the statement now submitted and those submitted in the years 1886 & 1895. With the exception of the camping grounds at Shiravalalu and Mugattihalli in the Chikmagalur Taluk, the other places shewn in the statements of 1886 and 1895

1895 have not been set apart exclusively for camping grounds and entered as such in the Khetwar, but they appear to be only such as were in the opinion of the local officers suitable for use as camping grounds when there was need for it.

The only villages where places were exclusively reserved for camping grounds are Shiravalalu and Mugatthihalli as above stated.

As regards the other villages referred to in the statement, no places have been up to now set apart in them exclusively for camping grounds as directed in Government Proceedings No. 9833-40-2/2380 dated the 8th December 1894.
